# Open Access Statement

The **Albanian Journal of Natural and Technical Sciences (AJNTS)** is a fully **open-access** journal. All articles are freely available online immediately upon publication, with no subscription or paywall barriers.

AJNTS permits unrestricted reading, downloading, copying, distributing, printing, and linking to the full text of all articles, as well as reuse for any lawful purpose, provided appropriate credit is given to the original authors.

All published content is made available under the **Creative Commons Attribution 4.0 International (CC BY 4.0) License**, which allows maximum dissemination and use of scholarly work.

This open-access policy reflects the journal’s commitment to **open science**, global accessibility, and the widest possible dissemination of research.
